Induction speaker with rubber slip-guards on top and bottom. Built-in digitally enhanced stereo amplifier has a maximum power of 98 dB and gives the speaker on your digital devices deeper and richer sounds. Dual power option using DC 5V/1A cable or built-in polymer lithium-ion battery with 800 mAh capacity, allows for up to 8 hours of playback, re-charges in 1 to 1.5 hours by simply plugging the USB/micro-USB cable in a computer and can play music while charging. Wireless sensor technology activates when a mobile device is placed on top of speaker.
